Due to the failure of the bridge on the river Szkarpa in Drewnica, a restriction is introduced on the opening hours of the bridge for small ships for inland and near-coastal navigation in order to minimise the risk of damage to the structure. From 20 May 2022 to 30 September 2022, the drawbridge will be opened at the following times: 9:00, 12:00, 15:00, 19:00. A major overhaul of the bridge's lifting cylinders and restoring the previous opening hours are planned for after the end of the navigation season.

It is possible to open the bridge on demand for priority vessels and professional navigation during the above period.

Contact number of the bridge operators: 882 065 597.

In view of the above, we kindly request that you exercise particular caution and comply with applicable regulations.
