NOTICE TO SKIPPERS No. 52/2022

Pursuant to Art. 14 sec. 1(4) of the Act of 20 July 2017 – Water Law (Dz. U. /Journal of Laws/ of 2020, items 310, 284, 695, 782, 875) and Art. 43 sec. 6 of the Act of 21 December 2000 on Inland Navigation (Dz. U. /Journal Of Laws/ of 2019, items 1568, 1901, 2170 of 2020, item 284), the Regional Water Management Board in Gdańsk hereby informs that:

The failure of the bridge in Sobieszewo has still not been repaired. The bridge spans cannot be lifted until the failure has been fully resolved. The clearance under the bridge is limited and depends on the water level. It is recommended to exercise extreme caution. When the failure has been removed, we will inform about it by a separate announcement.

For more information, please contact the Operator of the Drawbridge Facilities, Drawbridge Gdańsk Sobieszewo, tel. 507 433 264.
